Buyers Unable to Attend Sight Unseen Purchase Plan

Simplify your selection process by giving us a call today. You know what you want in your breeding animals, we know best the potential of the bulls and females selling and will easily be able to satisfy your specific needs. Our experience over the past years is that the sooner you contact us, the better we will be able to match your expectations. Either Lee or any one of our capable sales representatives will make the purchase as if buying for themselves.

**All purchase made in this manner will be
100% guaranteed for customer satisfaction**

Terms of Sale: Cash or cheque at par, payable to clerks of the sale on sale day, unless other previous arrangements are made with LLB. No release of cattle will be given until satisfactory settlement has been made. All cattle are buyers responsibility after purchase. Announcements from the block on sale day take precedence over all material printed in this catalogue.

All persons who attend this sale do so at their own risk, and the owners, sale management and sale staff assume no liability, legal or otherwise, for property loss or any accidents that may occur.

Breeder's Guarantee: All cattle sell with the responsible Breeder's Guarantee of Satisfaction. All bulls and yearling heifers are guaranteed breeders. The seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in this sale. All animals sell under the Terms & Conditions set forth by the Canadian Angus Association.

Insurance: Insurance representatives will be present sale day

Welcome to the 2014 LLB Spring Spectacular Bull and Female sale, which marks the 28th edition of this sale format. Angus is our only business, and we have been developing our Angus herd for over 40 years. We are proud of this large and diverse sale offering and truly appreciate your time and effort in studying and/or viewing these cattle.

The level of optimism in beef and cattle markets today is perhaps unprecedented. All classes of livestock are enjoying high prices and feed is abundant. There are 7 million fewer cows in North America than there were 10 years ago and, even though beef production has become more efficient, cattle supplies will continue to tighten. Cow-calf producers will be the beneficiaries, and now is a great time to be in the cow-calf business.

The growth in popularity of Angus cattle that we've witnessed in the past four decades is no surprise to us; we chose this breed because we truly felt Angus were the best all-round breed for commercial cattlemen. We have seen many fads come and go in the cattle business, and our breeding philosophy is based on long-term experience: acquire the best herd sires available, select for performance traits, growth, and thickness; all the while maintaining structural soundness and strong maternal traits.

Like many commercial operations, our 800-head cow herd is managed in large groups from calving until sale time. Calves are turned out with their mothers in breeding pastures as soon as grass is available; and they are allowed to grow and develop without extra attention until after weaning. We expect consistency and top productivity, just like our customers.

Herd bulls are an important investment for any cattlemen – purebred or commercial – as sires and maternal grandsires contribute three-quarters of a calf's genes. We have a large selection of top quality yearling and two-year old bulls in this sale, offering strong calving ease, performance, and maternal traits. We are confident that you will find the herd sire you're looking for in this sale. These bulls haven't been pampered, and the two-year-olds ran on grass until November 1st. Approximately 95% of our bulls are sold to commercial cattlemen, so don't be afraid to bid on your favorite on sale day.

If you're looking to expand your cow herd, we also have a strong female offering. The yearling heifers are represented by an assortment of sire groups, and whether you are looking for brood cows or show heifers we are confident these female will work in your herd. As in years past, we will be selling groups of quality open commercial heifers, and new this year are a top group of commercial bred heifers.

If you are unable to attend our sale in person, we offer a Sight Unseen Purchase Plan. We have included as much information as possible in this catalogue, and encourage pre-sale viewing of the cattle. Lee would also be happy to assist with sale selections prior to sale day. Please feel free to contact us or any of our capable sales representatives to discuss your needs or questions.

With optimism in the cattle industry, investment in top-quality genetics is more important now than ever. It has been extremely gratifying to see our many customer have successes with LLB purchases, whether it's a winning show heifer or progeny from our bulls topping the commercial calf markets in the fall.

We hope to see you March 14th and March 15th!

Lee, Laura & Jackie Brown Trish, Tim & Luke Henderson

LLB Angus Junior Support Program

We are offering any junior breeder a 10% discount off the purchase price of any female purchased at LLB. Our intention is to help enthusiastic young breeders with their initial Angus projects.

Owned with Point Petre Springs Gridlock is a very impressive herd sire whose progeny have been consistently among the best born at LLB over the last four years. He has sired the top selling bulls and heifers in our last eight sales, including a \$58,000 top selling yearling bull two years ago. Again in this sale offering his progeny are stamped with extra depth of body and structural correctness. A maternal sister to Gridlock was the \$14,000 top selling female in our last fall sale to Leela Farms in Ontario. Over two hundred Gridlock offspring are recorded in the CAA Herd Book, all from natural service, his bull calves report an average birth weight of 85 lbs, with a life ratio of 102, and his heifer calves report an average birth weight of 84 lbs with a life ratio of 103. Again this past year Gridlock has serviced sixty females. Close to 200 head of Gridlock progeny have been sold through our production sales generating over one half million dollars! His daughters and granddaughters are the impressive Lot 73 to 80 heifers, his sons are yearling bulls Lot 122 to 126 and the Lot 244 to Lot 251 two year old bulls.

Sitz Upward 9309 is an important member of the LLB herd battery line up. He was purchased from Sitz Angus in Montana, one of the high selling bulls in their 2010 sale. His grand dam is responsible for 65 herd sire sons and his sire is one of the most heralded present day Angus bulls. Sitz Upward 9309 is a very correct, long bodied bull that has maintained excellent body condition after heavy service at LLB the past three seasons. Progeny of Upward 9309 were both the top selling heifer and bull sire groups in our sale last year. His daughters in this offering are Lot 57 to 65 and his sons are the Lot 150 to 154 yearling bulls and Lot 256 and 258 two year old bulls.

Owned with Highland Stock Farms and Mike Earley Marvel 901W is a tremendous Density son purchased at the Earley Bros Bull Test Sale. His progeny are the exceptional Lot 43 to 49 heifers, Lots 150 to 158 yearling bulls and the Lot 260 to 266 two year old bulls that report 4 of the top 10 weaning weights of all two year old bulls in the sale offering. Without exception his calves have structural correctness and extra performance, they will mature into very functional breeding stock, his 126 recorded progeny thus far have recorded CAA weaning indexes of 103 and yearling indexes of 104, both male and female.

Kodiak 33X has established himself as one of the great performance sires. He was one of the high selling bulls at the 2011 ABC Bull Sale and went to work right upon arrival at LLB. A significant number of his progeny are some of the standout bulls and heifers in this sale offering, recording some of the top weaning weights and indexes. Daughters of 33X are the Lot 92 to 98 heifers and sons are the Lot 178 to 188 yearling bulls, two year old sons are Lots 284 and 286.

Old Post Bandolier is a powerful individual with extra body mass and excellent feet and legs. Genex leased Old Post to bolster their straight Canadian, total out cross semen inventory. Old Post daughters have been among the top selling heifers in past sales, one for \$25,000 and another for \$20,000. There are certainly show heifer prospects among his daughters in this offering and his sons have excellent feet with extra testicle development and record good weaning and yearling weights. Sons of Old Post have sold very well, several going to new homes in purebred herds – including a \$40,000 bull calf to Norseman Farms. His sons are the Lot 111 to 1116 yearling bulls and Lot 228 and 229 two year old bulls, daughters are Lot 7 to 11 and the exciting Lot 236 two year old bull is an Old Post grandson.

LLB Free Wheeler 268S was the \$15,000 top selling bull at the 2007 LLB Spring sale when purchased by Remital Cattle Co. He was again offered at auction at the Remital Dispersal Sale when LLB along with a progressive group of breeders purchased 268S for \$23,000. In his first show appearance he was crowned Agribition Reserve Champion Bull, he placed second in class to the eventual Grand Champion at Denver and he was named Mature Champion Bull at the World Angus Forum. Progeny of LLB 268S are always among the top selling sire groups in sales across Canada, in our last two spring sales his daughters averaged \$4375 and his yearling sons averaged \$6020, three of which sold to purebred operations. More recently a son of LLB Free Wheeler 268S was the 2012 Farm Fair Grand Champion Bull Remital Odyssey 67X, grandsons in this offering are the Lot 144 to 146 yearling bulls and the Lot 259 two year old bull. Grand daughters are Lots 28 to 32, two of whom have top weaning indexes.

LLB purchased Soo Line Blackman 8044 as one of the top selling bulls from Soo Line in 2009. Note his grand sire, Blackman 252'96 is also the sire of Old Post. Blackman 8044 daughters have been among the top selling heifer calves the past few falls, one for \$5500 another \$4500. His sons were the lead off yearling sale bulls last spring, one selling for \$15000 to Lock Farms, a very consistently good group of young herd sire prospects. Blackman 44U sons in this offering are the Lot 101 to 109 lead off yearling bulls and the Lot 232 to 239 two year olds, daughters are the lead off heifers Lot 1 to 9.

Main Street 52W is a powerful herd sire that is certainly producing up to our expectations. He was successfully showed at Denver before arriving at LLB and saw service to a significant group of females right away. A Main Street daughter purchased at LLB was the 2012 Ontario Angus Show Female of the year for Tullamore Angus, other daughters are Lot 80 to 87. His sons are the powerful Lot 117 and 121 yearling bulls and the Lot 278 to 280 two year old bulls. Again this year Main Street sons and daughters are among the top weaning and yearling weight individuals in the sale offering.

HF Full Focus 127Y was purchased as one of the high selling bulls at Hamilton Farms in 2012. His sire was in turn a \$17,000 top selling bull from Southland Angus and a great breeding Freedom 104 son. Focus 127Y has an impeccable performance record, more importantly he has sired both the top indexing bull and heifer in this sale offering. His daughters are Lot 14 to 20 and his sons are the yearling bulls Lot 136 to 142.

 WAF Zorzal 321U first came onto the Angus scene on display at the World Angus Forum as an outcross herd sire. He was the \$75,000 top seller at the Remington Dispersal when purchased by French River Cattle Company. He has tremendous muscle pattern, structure, is big topped with a large scrotal measurement. Zorzal 321U daughters have topped our last three sales, including a \$30,000 top selling yearling heifer and a \$13,000 heifer calf. His daughters in this offering are Lot 50 to Lot 56 and his sons are the yearling bulls Lot 157 to 160.

 The 2010 Farmfair Champion Bull, SAV Prodigy 8101, was introduced at LLB as an AI sire with a semen package purchased from Remitall Farms. He displays the same thickness, muscle, volume and substance as his popular sire Net Worth. The dam of Prodigy descends from one of the top producing, carcass cow families at SAV. Prodigy daughters have produced several outstanding individuals in this offering and his sons are the Lot 267 and 268 two year old bulls, both used extensively at LLB last summer.

Mature weight - 3100 lbs at 7 years of age. Tex 56A is LLB's straight Canadian bred, long serving herd sire - in fact this marks the 21th consecutive year his progeny have been featured in LLB sales. He is proven to sire moderate birth weight calves and highly productive females that report a weaning ratio of 102. Tex 56A has out lasted many different fads in the Angus industry and he may be more influential and important now than ever before. A significant group of individuals in this sale offering have some influence of Tex 56A, direct sons are the Lot 281 two year old bull and Lot 148 yearling bull. His grand sons are the Lot 275, 277, 279 and 281 two year old bulls.

Complete 2142 came to LLB as the high selling bull calf at Thomas Angus Ranch in Oregon last fall. He is tremendous son of the proven carcass AI sire, Summitcrest Complete, a bull also noted for heavy muscled progeny that are extremely structurally correct. The dam of Complete 2142 is responsible for numerous high selling sale bulls for the Thomas family and has been a very successful donor dam for them over the years. His progeny are just hitting the ground now and are looking very promising.
