Selling 70 Heifers from the Fall Program

If it is your game plan to start in the purebred business and you have already bought some good heifers in earlier Peak Dot Sales, get in on this group and build up your herd. We've learned long ago that to build a cow herd you need a solid base of the same genetics, so here is an opportunity to tap into decades of selection. These yearling heifers represent the freshest genetics at Peak Dot Ranch with many brood cow candidates and several show and donor prospects included.
