Private Treaty Female Sale

Fall

2012

PRIVATE TREATY FEMALE SALE

Welcome to the first ever Peak Dot Ranch Private Treaty Female Sale. On offer is a select group of females that are on the onsets of their productive careers. They are some of the freshest genetics available and are from the heart of the Peak Dot Fall program with features from our leading cow families. They are deep in pedigree and come fully loaded with style, eye appeal and the “maternal look”. Most of them are being offered with a live calf at side and are open ready to flush.

We welcome your visit anytime. Females are easily available for viewing at Peak Dot Ranch and will be sold on a first come first serve basis.

Sincerely,
Clay and Carson Moneo

One of 7 full Predominant sisters at Peak Dot Ranch. Her maternal sister Barbara of Peak Dot 519K has been one of our most sought after donors and has produced many top selling lots. Her full sister Barbara of Peak Dot 301T had a flush of 3 Duff Encore bulls featured in the 2011 Spring Sale. There are now 18 maternal sisters at Peak Dot. Her first calf was a Duff Encore daughter. She then raised a Son of Peak Dot Easy Keeper 902T which sold in our spring 2012 sale. She weaned a heifer calf by SAV Eliminator 9105 in May. She was flushed this spring and gave 11 grade 1 embryos by SAV Bullet 0473. Exposed to SAV Radiance 0801 from June 26 to July 25.

Barbara of Peak Dot 317T

A wide based SAV 004 Predominant 4438 daughter. Her dam and grandam have both been flushed several times. Her dam Barbara of Peak Dot 519K has 26 active progeny. Grandam Barbara of Peak Dot 927H has 40 active progeny. Her full sister Barbara of Peak Dot 314T is the dam of Peak Dot Proof 1066X, the \$68,000 bull from the 2012 Spring Bull Sale. Sells with a bull calf at side and is open ready to flush.

The kind of female you can build a program around with superior production capabilities, phenotypic excellence and a numerically balanced EPD profile. She ranks in the top 4% of the breed for weaning wt EPD and top 2% for yearling wt EPD, along with a weaning ratio of 104 and a yearling ratio of 113. She stems back to the famed Bardolia cow family which includes Bardolia of Peak Dot 585K, Bardolia of Peak Dot 963H, and Bardolia of Peak Dot 901T. A full sister sold to Hillcrest Enterprises. Bardolia of Peak Dot 639X sells with a heifer calf at side and is open ready to flush.
