Lot 3 - Peak Dot Profound 705J

Welcome to Peak Dot Ranch... Established in 1950...

The Moneo Family

Terry

Carson, Lana, Koen and Riley

Koen, Gen and Brixlyn

Clay, Shannon, Matt, Madison, Merit, and Mavryk

Scott, Mia and Luke Turner

Welcome to the 2022 Spring Sale.

It is our pleasure to welcome you to the Annual Peak Dot Ranch Spring Bull Sale. Thank you for making our program your program. Our emphasis has always been committed to producing bulls that keep the commercial cowman on the top side of the market. We are proud to be a family owned cattle ranch operating from the same location for 4 generations.

The bulls are penned and sorted by sire group with many groups of half, three-quarter and full brothers. There are several herd bull candidates in each group and we welcome your visit anytime prior to the sale. They sell in volume so they will be affordable in everyone's price range. All bulls are semen tested and checked for soundness and ready to go to work. Over 75 percent of the bulls selling are calving ease bulls with superior performance that will work well on heifers. Good honest cattle, repeat customers, long-standing relationships and real genetic value is what we strive to accomplish.

We offer the best cull bull incentive program you can find anywhere. With the cull bull market down a bit from previous years we are going to help you get the most out of those old, broken down, worn out bulls. See the next page for details.

This year we are also offering 30 open replacement heifers sourced from long time Peak Dot customer Hillcrest Enterprise. These heifers are 100% Peak Dot influenced commercial open heifers with decades of selection and are developed to make long-term producers who deliver profit. They all sired by Musgrave Colossal a proven female producer that stamps them with body depth, balance, femininity and maternal presence. Be sure to check them out.

We hope to see you all at the sale and if any one cannot make it or has any questions please feel free to contact Carson or Clay. We offer a sight unseen program that has become very popular. The success of this program is driven by the disciplined manner in which it is handled.

You can count on the cattle you purchase from this fourth generation family owned ranching operation. After 60 years of doing business with ranchers and commercial cattlemen and women, we have earned a reputation we are very proud of. We look forward to being your source for good quality Angus and appreciate the confidence you have shown in our program. Come early and view the cattle and be our guests and enjoy a beef barbecue with refreshments.

Cull Bull Incentive Program

This year we're offering the best cull bull incentive program you will find anywhere. With the cull bull market down a bit from previous years we are going to help you get the most out of those old broken, down worn out bulls. Why take a chance on bunch of open cows this fall when you can replace them with fresh strong new bulls. All you have to do is email us prior to the bull sale or bring a copy of your bill of sale from the auction market after selling your cull bulls and you will receive a \$500 credit on each new replacement bull you buy. (eg: If you cull 5 bulls you will receive a \$500 deduction for each of the 5 replacement bulls you buy.) Credits must be used on a per bull basis and you cannot use more than 1 credit toward a new bull.

We offer the following Services ...

We will pay 4% of your Comprehensive Insurance.

Free Delivery 500 miles or \$100 Pick up Discount.

Semen Tested and Ready for Immediate Service.

Sight Unseen Purchase Plan:

We would like you to attend the sale, but if you cannot, you can have Carson personally handle your purchase. Call him with your specification and discuss the offering, preferably a week before the sale. Carson gladly will assist you with your sale selections and represent you on sale day. We guarantee full satisfaction upon delivery or you don't own them.

Carson Moneo (306)266-4414

Genetic Information

All registered lots in the sale have had the genomic Angus GS test, and EPDs listed reflect the Gene Seek analysis. The test will increase the predictability of economically important traits. With the genomic test you will have more accurate higher accuracy EPDs than conventional EPDs.

Cull Bull Program: Receive a \$500 credit on each new replacement bull you buy. (eg: If you cull 5 bulls you will receive a \$500 deduction for each of the 5 replacement bulls you buy.) Credits must be used on a per bull basis and you cannot use more than 1 credit toward a new bull.

Sale Bull Videos: Videos available at www.peakdotranch.com

Online Bidding: Sale will be broadcast live. Watch and bid on DV Auction or DLMS.

Volume Discounts:

Starting at 3 bulls, 3% and increasing 1% for each additional bull up to 10 bulls - 10% maximum discount

Exporting into USA: We welcome our U.S. customers. Peak Dot will do all the necessary testing for export. Delivery will be looked after by Peak Dot within a 500 mile radius. For purchases going beyond the 500 miles we will help coordinate delivery to get the cattle to you as economically as we can.

Did you know you can finance bull Purchases with FCC?

When you finance livestock through FCC, you have the flexibility to Customize your financing – your way. Apply now to get pre-approved so you can head to the Peak Dot sale with confidence knowing you already have the financing in your back pocket. Call 1-888-332-3301 or your local Office to get started.

GLOSSARY OF SALE INFORMATION

EPD ABBREVIATIONS:

EPDs are a powerful tool that is available for making genetic progress. EPDs incorporate the performance of the individual along with the performance of all its relatives.

CE: Calving ease - the higher number predicts more calving ease.

BW: Birth. A lower EPD predicts more calving ease.

WW: Weaning. Higher weaning EPDs predict higher weaning weights.

YW: Yearling. Higher yearling EPDs indicate greater expected yearling weights.

Milk: Milk EPD should be used to predict the milking ability of the daughters of the bull in question. Higher milk EPDs project more milk.

REA: Rib Eye Area in sq.in. Describes marbling potential of calves expressed as difference in grade score.

MARB: Marbling. Describes marbling potential of calves expressed as difference in grade score.

CW: Carcass weight in lbs. Predicts differences in hot carcass weight of progeny.

\$C: Combined value (\$C), expressed in dollars per head, includes Growth, Maternal, Carcass, all 15 traits. It is expressed in terms of dollars and it reflects the expected difference in profits between bulls progeny.

For example: Bull A \$C = \$250

Bull B \$C = \$150

On average, progeny from bull A will be \$100 more profitable in a Canadian commercial operation than the progeny from Bull B.

Current weights and scrotal measurements will be available sale day.

Profound Bulls...

Ellingson Profound

Peak Dot Reference Sire

The \$40,000 top selling bull at Ellingson Angus 2019 Sale

Ellingson Profound is the crowd favourite and top selling bull from the 2019 Ellingson Angus Sale. He is regarded as one of the greatest bulls to come out of the Ellingson program. He offers next-generation power genetics for those who make their living selling feeder calves. His sons are stand outs in terms of muscle shape, vast body depth, volume, outstanding thickness and superior foot quality. Profound first sons topped the sale last year here at Peak Dot and also at Ellingson Angus in 2022. His dam is a second generation donor that records a production birth ratio of 2/98, a nursing ratio of 2/106, a yearling ratio of 2/106, an IMF ratio of 3/103, and a ribeye ratio of 3/102 and has settled to first service A.I. every year of her production career. The Profound daughters are equally as impressive, attractive fronted, naturally thick, soft made and easy fleshing. The first Ellingson Profound daughter to be offered at public auction this fall sold for \$60,000 for one-half interest.

Duchess of Peak Dot 155Y
 The dam of lot 61.

Roughrider Bulls...

Ellingson Roughrider

Peak Dot Reference Sire

Excellent feet with depth of Heal...

Ellingson Roughrider is a bull we have been very impressed with from the first time we seen him. He sold for \$70,000. He carries much body depth and offers as much base width and thickness as any sire we have ever used. He stands on four big, solid, stout legs and has excellent feet with lots of heal. He sired an outstanding pen of 95 big, thick, husky performance bulls in the spring 2020 bull sale that were very well received averaging just over \$8000. He has put together another impressive sire group of bulls for this event. His daughters are regarded as some of the best females Ellingsons and Peak Dot have ever calved. Roughriders dam and grandam are both embryo donors and two of the greatest contributors to the Ellingson cowherd today.

 This maternal to Lancaster sells as lot 5.

Lancaster is a rugged built stock bull with true muscle definition, extra rib-shape and real performance. He was the featured lot 2 bull in the Spring 2020 Bull Sale selling to Glassman Farms for \$56,000. His progeny display a nice pattern with body depth, fleshing ability and real muscle shape. His dam is a very well made SAV Eliminator 9105 daughter that ranks near the top ranking milk and marbling. She is also the dam of herdire Peak Dot Seedstock 38F and the featured lot 5 bull in this sale.

Hoover No Doubt was the \$67,500 top-selling bull in the 2015 Hoover Angus Sale, and became the top-selling bull in the 90-year history at Hoover Angus! He was selected by Alta Genetics, Peak Dot Ranch, and Diamond J Angus.

No Doubt was a hunk that turned in an adjusted 1540 pound yearling weight, ratio 113 to be the #1 adjusted yearling weight bull in the 2015 Hoover sale! He also scanned a 3.91 IMF, ratio 108, and tied as the top scanning ribeye bull (among 81 yearlings) with a 17.3" ribeye, ratio 114! No Doubt is a superb disposition bull that has the style and eye appeal everyone likes. He is exceptionally stout, and has definitely put meat and muscle in his calves. No Doubt sons are proven and have been very well received throughout the industry. No Doubt sons continue to top sales across North America.

FOR SALE BY PRIVATE TREATY ...

Peak Dot Ranch has registered Angus heifers for sale by private treaty. This is a chance to acquire some of the top females from our program. This is a perfect set of heifers for anyone wanting to start a new Angus herd, or strengthen an existing one. It is not often you can step in and buy a large group of very closely related heifers with phenotype, performance and cow family strength for generations.

Contact Peak Dot Ranch for more information on this opportunity.

View a complete list of the Private treaty heifers at:
www.peakdotranch.com or on Facebook

A highly respected, proven calving-ease sire. He has unmatched body mass and rib shape that is rarely seen in a top ranking calving ease sire reinforcing his strong CE number. Colossal sons can be used with confidence on virgin heifers without sacrificing thickness muscle and performance. Along with his exceptional calving-ease credentials he offers a magnificent maternal value. His maternal lineage has many generations of highly fertile, strong footed and great uddered females. Owned with Semex Beef.

 The dam of Attractive

One of the top selling bulls we purchased along with Semex from the 2016 Schiefelbein sale. Attractive is a calving-ease bull that will add growth and a good set of feet and legs. His dam is one of the best cows we have found in all our travels. She has produced over \$200,000 and is one of the main anchors in the Schiefelbein embryo program. Attractive has a great disposition and so do his sons.

SAV MISS BOBBIE 2407
 The dam of Earnhardt

Earnhardt is a stout and powerful son of SAV Harvester 0338 out of the uniquely bred and perfectly built SAV Miss Bobbie 2407. He was the top weaning bull of his entire calf crop at Janssen Angus. He offers a moderate birth weight with a 205 day weight of 977 pounds along with a 365-day weight that broke the 1,400 pound yearling weight barrier. A large number of Earnhardt and Top Soil daughters have been retained by Peak Dot for replacements.

Coleman Charlo 5369 is the \$30,000 feature bull from the 2017 Coleman Angus bull sale selected by Peak Dot And Semex. He offers proven calving-ease feed efficiency with thickness and fleshing ability. His dam is sired by the exceptionally docile APEX Windy 078 and stems from the famous Donna cow family at Coleman Angus.

You will appreciate the gentle nature and true breed character of these Charlo sons.

Ellingson Proposition has proven to be a definite sleep-all-night heifer bull that combines two of the most popular calving-ease sires of the entire Angus breed in Powerpoint and Remedy. Use his son's with confidence on virgin heifers. He was selected for his outstanding phenotype, excellent calving-ease numbers and high marbling score. He posses incredible thickness, muscle shape, depth of body and performance. He is one of the best footed, broad backed, wide based low birth weight bulls that we have ever found.

EPDs Top 30% or better for:
Calving Ease.....Top 3%
Birth Weight.....Top 4%
Hoof Claw.....Top 30%
Hoof Angle.....Top 5%
Marbling.....Top 4%

The Peak Dot Cow Herd...

For decades Peak Dot has focused on breeding a cow herd that is stacked with generations of females that are fertile, functional, productive and problem free. We have spent years of selecting for quality udders, feet and docility. Buy bulls with confidence knowing they come from a very strong, consistent genetic female base.

Established in 1950...

Maternal Foundation

New Up and coming Herdsires....

New Herdsire! **Schiefelbein Gable 311**

Introducing Schiefelbein Gable 311 the \$90,000 Sale feature from the 2022 Schiefelbein Farms Sale selling to Peak Dot Ranch. Gable 311 is a true breeders bull with a flawless EPD package, stunning looks and an outcross pedigree. As we enter the stage of the cattle cycle where retaining females is a must Gable 311 is the best option for doing such a thing. His +100 \$M combined with +20 EPD for Heifer Pregnancy rank him in the very top 1% of the breed. Two very important traits. He ranks in the top 30% for 12 of the 13 major traits including top 1% for WW,YW,HP,DOC & \$M. Combine that with double digit calving ease and a light birth weight along with a \$C in the top 2% of the breed. Gable 311 is a big scrotal bull with a nice look and loads of rib, great hip and a big thick butt. His young dam Frosty Elba Lizzy 5569 boost outstanding EPDs and is quickly climbing the ranks in the Schiefelbein herd. His grandam Frost Elba Lizzy 3565 is a pathfinder cow with a proven track record. Stay tuned for marketing news and contact Peak Dot for Semen.

Peak Dot **Newfound**

The popular lot 1 \$35,000 top selling bull Profound son in the 2021 Peak Dot Ranch Bull Sale. Newfound may be the most balanced individual ever raised at Peak Dot Ranch. He replicates the same unmistakable herdbull presence that his sire does. His eye catching phenotype and excellent feet have been appreciated by even the most astute cattle visitors. He weaned off just under 900lbs for a weaning ratio 117. His EPDs rank him in the top 1% for weaning weight, top 3% for yearling weight, and top 20% for marbling. His dam sired by Unanimous is as impressive as you will find. She has recently been successful flushed twice freezing 23 and 30 quality embryos per flush. Owned with Hillcrest Enterprises.

Poss Tenderloin

Tenderloin was our top pick of the 2021 Poss bulls. He is an attractive, high marbling, thick made bull that combines calving-ease, performance, carcass and maternal traits along with a big scrotal and gentle disposition. His dam is one of Nolan Poss favourite cows in the Poss herd. He is bred very similar to the popular \$900,000 Poss Deadwood with the combination of Poss Maverick and Poss Easy Impact 0119 in his pedigree make up. Owned with Semex Beef.
